- Punctuation . ? !
- Finger spaces
- It makes sense
- Using our sounds
- Adjectives
- Conjunctions
- Our best handwriting

Tuesday 2nd February 2021
LO: write your own beginning

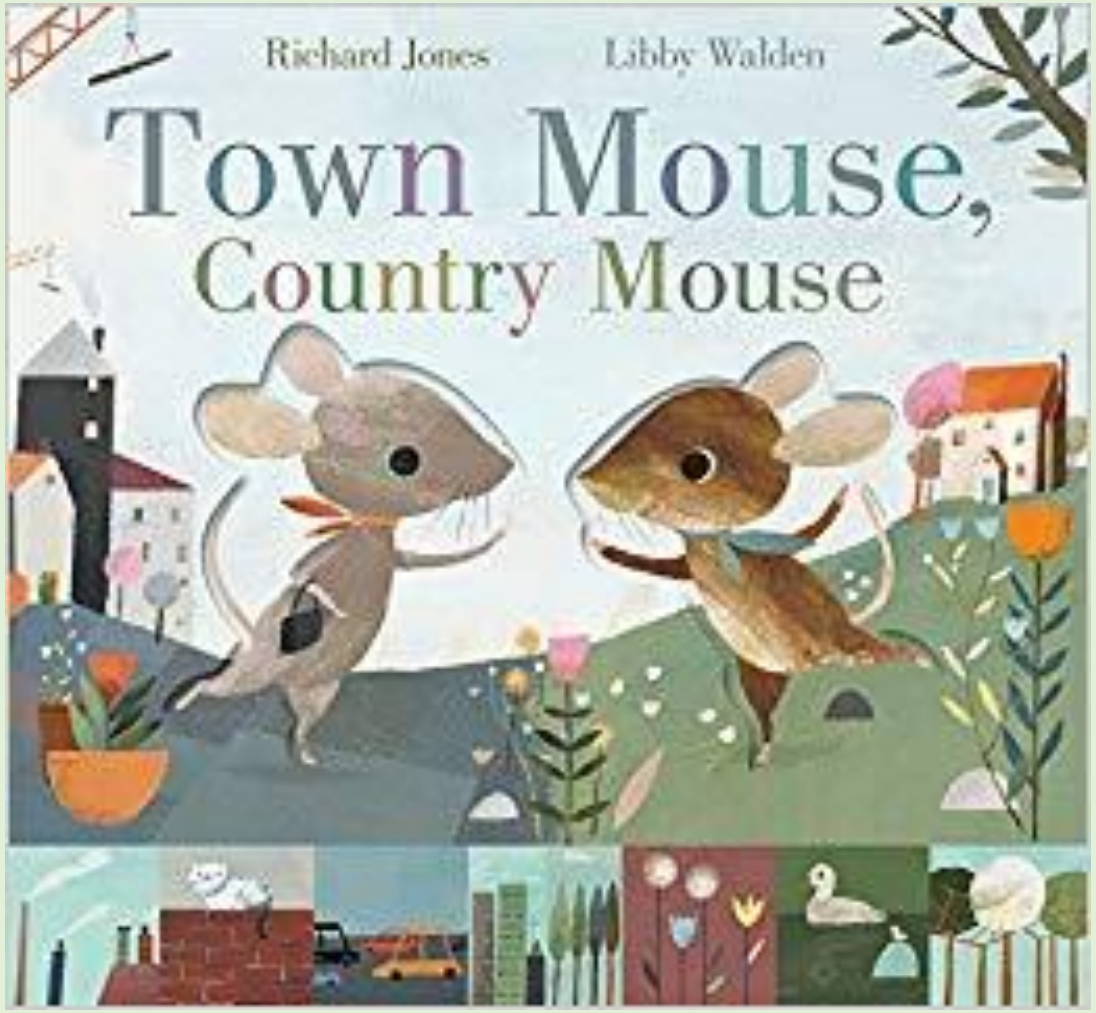

Example:

- Once upon a time lived little Town Mouse who had a cousin that lived in the countryside. One sunny morning she wrote a letter to Country Mouse. The letter said do you want to swap houses? Country Mouse heard a knock at the door, it was Frog the postman. He had the invitation Country Mouse had waited for. Country Mouse was very excited because he had always wanted to be a mouse about the town. The mice packed their things excitedly.

- Conjunctions
- Our best handwriting

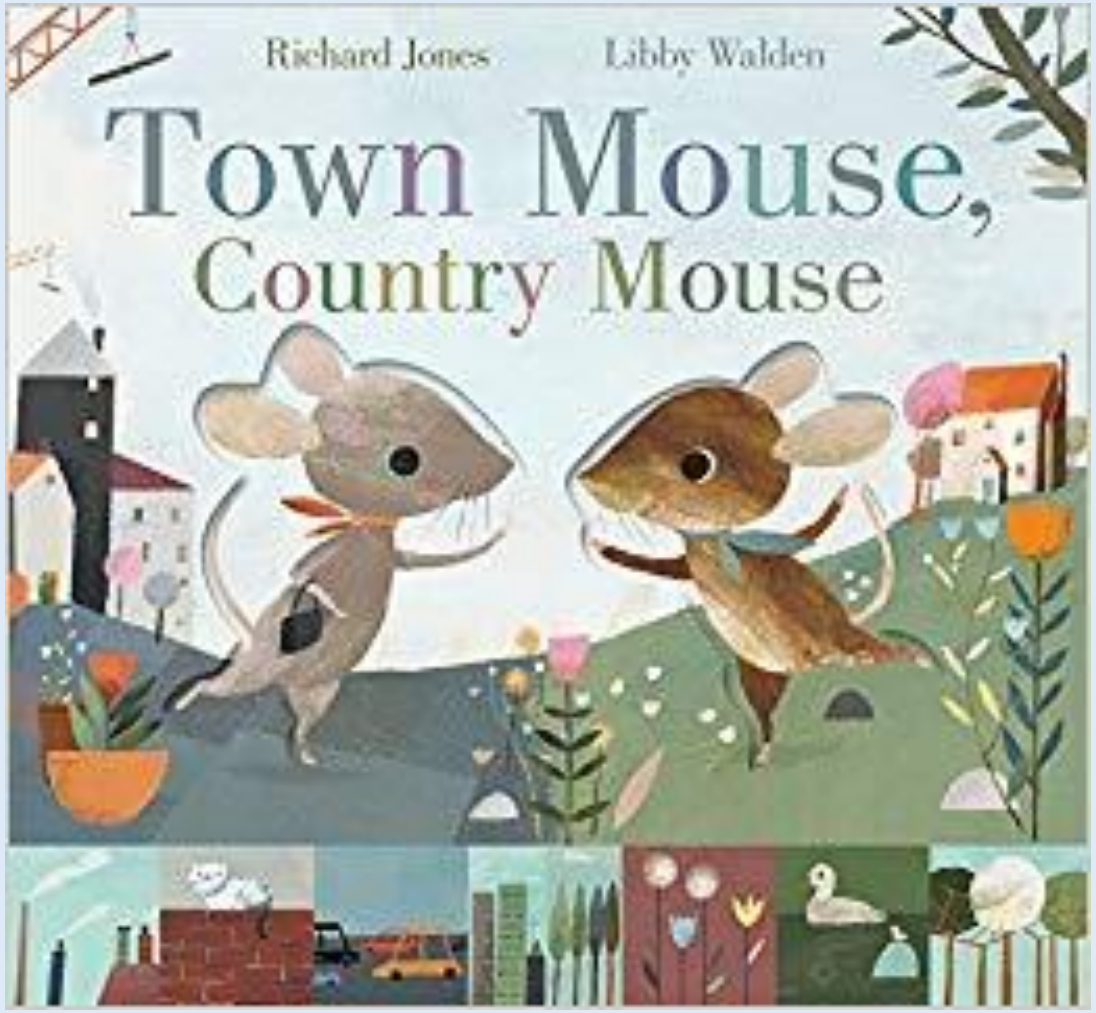

Wednesday 3rd February 2021
LO: write your own middle

Town Mouse loved the beautiful countryside. He saw cheeky squirrels and woolly sheep but the noisy birds woke him up in the morning. Country Mouse couldn't sleep because the busy town was extremely loud. Town Mouse was hungry and found juicy, red berries to eat. Unfortunately they were poisonous. Country Mouse was hungry and found yummy cheese. Unfortunately it was in a wooden trap that might chippy chop. Later that day Town Mouse went to wonder and explore the peaceful countryside but the weather turned frightful and the heavy rain began to fall. Country Mouse went to wonder and explore the huge town but it was busy and she was petrified.

LO: write your own ending

- Finally the exciting holiday was over. The tired mice went home. Town Mouse sat on her roof and sent a thank you note. She enjoyed her holiday but was delighted to be home. Suddenly Country Mouse spotted a flying, paper aeroplane. He read the note and said home is where my heart is, so home is where I'll stay. He enjoyed his holiday but was grateful to be home. The tiny, fluffy mice lived happily ever after. The end.

Friday 5th February 2021
LO: handwriting

- Copy the sentences in your neatest cursive handwriting.

The quick brown fox jumps over the lazy dog.

Poem -
It's raining down in London town.
It's raining up in Leeds.
The rain that rains sustains the grains,
but also feeds the weeds.
