Christ is the centre of our school community where we live, love and learn together.

Tuesday 14th April 2026

Dear family,

Wonderdome Workshop

As part of their science units this term, we have arranged for our Key Stage 2 pupils to take part in exciting workshops in a 'wonderdome' on Thursday 23rd April 2026. The children will remain in school and explore space inside a giant inflatable dome. Phase 3/4 will explore the topic- *Solar System* - explores galaxies, stars, the Sun, planets, moons, the Moon landings. Phase 5/6 will explore the topic-S*paceflight* - looks at humans in space, including the Moon landings and life on the International Space Station and the recent Artemis mission!

The cost of the workshop is £5 per child. Log on to ParentPay to give your consent and make payment for your child's place at this workshop no later than Wednesday 22nd April.

Children remain in school for this fantastic experience as the wonderdome is brought into school. This event does not affect school timings or lunch arrangements.

Thank you for your continued support,

M McLoughlin
Principal
