Friday 16th January 2026

Year 5 Reading Workshop

Dear Family,

We are delighted to invite you to our upcoming Year 5 Reading Workshop, which will take place at school on Friday 30th January at 2.30pm. This workshop is designed to give you an insight into how we teach reading in Year 5 and how you can support your child's progress at home.

During the session, you will have the opportunity to:

- Learn about the key reading skills we focus on in Year 5, including inference, vocabulary development, and comprehension strategies.
- Explore the types of texts children are engaging with this term.
- Take part in short activities that model how reading is taught in the classroom.
- Explore the range of texts and questions presented during assessments.
- Receive practical tips and resources to help foster reading confidence and enjoyment at home.

We believe that strong home–school partnerships play an important role in developing enthusiastic, capable readers. Your involvement makes a real difference, and we would be delighted to have you join us.

Please confirm your attendance by completing the digital form using the link or QR code below by Friday 23rd January to enable us to prepare materials for the session.

Thank you for your continued support. We look forward to welcoming you.

Sincerely,

K Cook — **5C Class Teacher**

E Tighe — **5T Class Teacher**

Scan the QR code below or click here to complete the form and confirm your attendance. Thank you.
