Christ is the centre of our school community where we live, love and learn together.

Monday 19th May 2025

Dear families,

Year 6 Trip to The Big Bang - NEC

Children in Year 6 have the opportunity to visit The Big bang Science Exhibition at Birmingham's NEC on Thursday 19th June 2025 as part of the Science, Technology, Engineering and Maths (STEM) learning.

Children will be travelling by public bus and will leave school around 9:30am. If your child has toast at morning break, they will receive this before they leave school. Children will be out of school for the entirety of the day and so will need to bring a packed lunch with them. Please make sure your child's lunch does not contain nuts or any glass items and that any cherry tomatoes or grapes are cut in half. If your child is entitled to Free School Meals and you would like a lunch provided by school, please notify the school office via enquiry@stm-lumenchristi.org.uk no later than **Monday 16th June 2025**. Children will return to school for normal end of day time and must wear full school uniform.

Asthmatic children must have an inhaler in school. If your child is asthmatic but you have not yet made this known to school or provided us with an inhaler, please do so as soon as possible.

The cost of the trip is £2.00 per child. To give consent and pay for your child to attend, log on to ParentPay and make payment no later than **Monday 16th June 2025.**

For support with ParentPay please see Mrs Gardner. To arrange to talk to someone about finances, please email enquiry@stm-lumenchristi.org.uk.

Sincerely,

D Sullivan

Mrs D Sullivan
Acting Principal
