Dear Families,

Competition time – Please sign your child's Reading Record every night

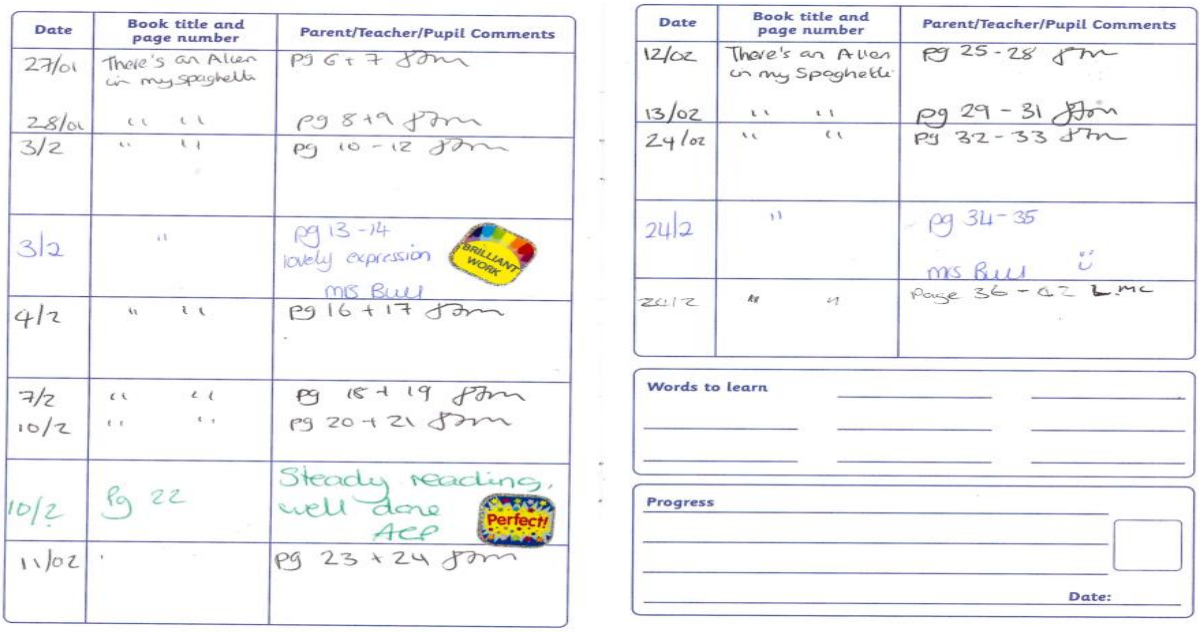

I hope this letter finds you well. At St Thomas More Catholic Primary School, we are committed to fostering a love of reading in all our children, as it is a crucial part of their learning and development.

To support this, we kindly ask that you read with your child every night and sign their reading record. Even just 10–15 minutes of shared reading can make a significant difference in their confidence, comprehension, and overall academic progress. Your involvement not only helps improve their reading skills but also encourages a lifelong enjoyment of books.

Please ensure that your child's reading record is signed daily so that we can track their progress and celebrate their achievements in school. If you have any questions or need book recommendations, please don't hesitate to speak to your child's teacher.

To encourage this process, we have a competition running whereby the children with records that are signed daily will be entered into a draw for an Easter egg!

Here's an example of a what a good Reading Record looks like!
