Dear Family,

Christmas Break Activity Clubs

In a new departure for St Thomas More, we have partnered with a successful sport camp provider to offer three days of activity camp over the Christmas holidays.

The company running the activity camps, The Bugs Group, are a reputable sports provision company with excellent references and recommendations. Their staff are fully vetted and insured with all safeguarding requirements in place.

No St Thomas More staff will be delivering the course or be present on site during the day, but all Bug Group coaches are suitably trained, and First Aiders are here all day. Should you wish to book, and I encourage as many as possible to do so, the contract will be between families and The Bugs Group.

Please see the attached flyer where you will find booking details. Please note numbers are limited and school has no control over its capacity or influence in securing places. It is purely an online booking system and spaces are secured on a first come, first served basis.

With every good wish,

Mr M McLoughlin
Principal
