Year 6 End of Year Production

Dear Families,

Preparations are well underway to deliver an end of year extravaganza. Family and friends are warmly invited to attend our production of 'Practically-Perfect Nanny'. Auditions are now complete. Well done to everyone who auditioned for the main cast. Sadly, we can only allocate a limited number of places in these roles. However, we have a large supporting cast who will take on other speaking roles, singing, dancing and stage management.

There will be two showings of this production.

Tuesday 9th July 2024 at 1.30pm. **Thursday 11th July 2024 at 6pm.**

We are restricted by health and fafety regulations in regard to the number of seats we can organise in our school hall; therefore families will be allocated a maximum of 2 tickets for each performance.

Please select the date/dates you wish to attend and the number of tickets you require using this link to our online booking form: https://forms.office.com/e/17u1Xs09RU?origin=lprLink

Seating allocations will be made on a 'first come, first served'. Should guests require any special arrangements for seating, please state this in your booking form. We will do our best to ensure suitable seating space is available. The booking deadline is **Friday 21st June 2024**. Any unclaimed seats will be offered out after this time.

To enable children to fully enjoy this event, we require all cast and crew members to return to school at 5:30pm for the evening performance to ensure a prompt start. All children must attend, even if parents or family are not attending this performance. We will endevour to support constume production as much as possible but we will be seeking support from families too (without unnecessary expense).

Children are extremely excited and it is really important they continue to rehearse songs and lines at home. Resources for the production can be found online using the link below and will continue to be updated over the coming weeks. https://www.sttommor.bham.sch.uk/year-6-production-2024/

Thank you for your continued support,
