Behaviour Support for Schools

You are warmly invited to our parent/ carer workshop based on:

'Helping your child to be their best – at home and at school'

Does your child struggle to handle big emotions like ***anxiety***? Do you sometimes worry about how best to support your child/ren at home (or in school)?

Beacon School Support are running an interactive and informative workshop for parents/ carers:

How to coach kids through strong emotions on Tuesday 11th June

This session will run from 9am – 10am and is open to all parents/ carers who are interested in supporting their children in a variety of ways, including building confidence, resilience and emotional awareness.

You'll learn new strategies and ideas that you can take away and use at home. There will also be time to speak to the behaviour consultant from **Beacon School Support** afterwards and ask any personal questions.

Refreshments will be available.

We look forward to seeing you.

My child seems to be anxious all the time. What can I do to help?
