Christ is the centre of our school community where we live, love and learn together.

Tuesday 24th October 2023

Dear Families,

Engineering Club

We are very excited to announce that we will be running an Engineering Club for our Year 3 pupils during the second half of the Autumn term. The club will run for 7 weeks after school, each Monday from 3.15 – 4.15pm starting on Monday 6th November 2023. Children will be collected from the main office.

Children will have access to the Dyson Engineering resources and will be inventing, planning, designing, and constructing their own product.

There are 16 places available at the club. Places are being offered on a first come, first served basis.

To secure a place for your child, please email enquiry@sttommor.bham.sch.uk.

Warmest regards,

A Clarke-Pitcher

Mrs Clarke-Pitcher
