Dear families,

We have been notified by a fellow local Primary School of some suspicious activity that we feel is important for you to be aware of.

Yesterday, a child in Year 6 at another local primary school reported that a male in a black car was acting in suspicious circumstances in our local area. The child was approached and asked to get into the car. This has been reported to West Midlands Police.

We ask that families remain vigilant at drop off and pick-up times. Parents of Year 6 children that walk home, please take time to speak with your child about being aware, staying safe and what to do if they are approached. Alternatively, if you'd like to collect your child rather than them walk home, please let us know.

Yours faithfully,

Mr M McLoughlin
Principal
