World Book Day 23: Homework projects

It is nearly World Book Day! On top of having a day immersing ourselves in our love of books (with fancy dress or pajamas on) we are asking you to build up the excitement with some fun activities.

Extreme Reading

Photograph yourself reading a book in exciting and unusual places- the more outlandish the better! Share the photos by emailing them to Mr Breslin (m.breslin@sttommor.bham.sch.uk) or bring them in to school on **World Book Day (Thursday 2nd March).**

Diorama project

A diorama is a model replica of a scene. We would love to see your favourite moments from books brought to life. Use a shoe box, or whatever is to hand, to recreate characters and story beats. We look forward to displaying them on World Book Day!
