Christ is the centre of our school community where we live, love and learn together.

Tuesday 10th January 2023

Dear Parents/Guardian(s),

I am excited to inform you that Villa Vision will be attending our school from next week to run eye vision and health workshops. In addition, a free vision screening programme for all Y5 and Y6 will take place on Thursday 19th January and Friday 20th January. The letter and booklet enclosed from Villa Vision will explain the programme in more detail. If the screenining identifies need for further eye examination, Villa Vision will return to the school at a later date to perform a full eye examination, free of charge. If upon this examination it is deemed that your child/children may require glasses, Villa Vision will provide the option for a free pair of glasses.

Due to the benefits of this programme, promoting vision health and supporting all learners to fully access and engage in their own learning, it will be opt-out lead. Meaning if you prefer your child/children to not take part, you will need to complete the enclosed opt-out form within the envelope and return this to school no later than **Monday 16th January.**

If you have any questions about this initiative please don't hesitate to contact your child's class teacher in the first instance, myself or Villa Vision respectively on Villa.vision@avfc.co.uk

I can attest from my previous experience of Villa Vision attending school that several children were identified as requiring glasses; it in turn made a massive impact on their learning attainment and enjoyment.

Sincerely,

J. Poole
