Dear parent(s)/Carers(s),

Unfortunately, a child is repeatedly discarding their lunch in the hall. We have tried to discover who this person is but have not been able to do so. It seems to be cheese sandwiches in plastic bags that this child is leaving, hidden in the hall.

Here are photos of two such lunches in the hope that you may recognise them and be able to speak to your child about it. If we as a school can help in any way, then please make contact.

Thank you

M. Breslin
Vice Principal
