Christ is the centre of our school community where we live, love and learn together.

14th October 2022

Dear Parent/Guardian(s),

Year 3 Greek Day workshop

Our autumn term topic in History is Ancient Greece and to celebrate all the wonderful learning that the children have been doing, we have arranged for all Year 3 pupils to take part in a Greek-themed workshop on **Friday 4th November 2022.**

The children will remain in school and participate in a range of activities celebrating Ancient Greece organised by the Portals to the Past team.

Sessions will take place in the school hall and in the classrooms **beginning at 9am** and **ending at 3pm**.

In preparation for our workshop, we would like the children to create their own name badges with the name of an Ancient Greek figure to wear during the workshop. Children should research their Ancient Greek figure and find out what they are famous for, so that they can discuss them during the workshop. The names will be chosen in class.

The cost of the session will be £8.00 per person - Please go to Parent Pay to make your payment.

If you have any questions, please email k.keane@sttommor.bham.sch.uk or c.hetherington@sttommor.bham.sch.uk.

Yours sincerely,

K. Keane
