Thursday 6th October 2022

Dear Parent/Guardian(s),

Poetry Day 22 Homework

This year the theme is 'Environment', which ties in nicely to our Laudato Si week. The children are invited to create their own poem about nature.

The poem can take any form, but it must take its title from an object found in the natural environment. This object/plant must be transformed through vibrant description into something brilliant.

**Can poems please be returned to school or emailed to m.breslin@sttommor.bham.sch.uk by Friday 14th October.**

*Martin Breslin*
Vice Principal
