Wednesday 7th September 2022

Dear Parents/Guardians,

Mr Jordan and myself would like to make you aware that from **Monday 19th September until Monday 17th October 2022** we will be running Girls Football Training for Y5/Y6. If you would be interested in attending every **Monday after school between 3:20pm – 4:20pm** please return the attached below to the office. **This club will run for 5 weeks and we kindly ask for donation of £5.00 to help us fund resources to develop the profile of Girls football further.**

Football training will take place on the playground so we do ask that children have suitable grippy trainers and **shin pads** that fit and warm active clothes as the weather will start to get colder. Please can you ensure your child also has an extra snack and drink to keep them hydrated. If you have any questions at all please don't hesitate to get in touch.

Yours sincerely,

Mr Poole
