Christ is the centre of our school community where we live, love and learn together.

Wednesday 7th September 2022

Dear Parent/Guardian,

Year 6 Guidance on Pupils walking home

This is a courteous reminder of guidance on preparing your children for their successful transition to Secondary school. In the Summer term, we would encourage Parental/guardian consent in informing us of your intention for your Y6 child/children to walk home or to a desired meeting point from school. However, as the nights are already starting to draw in, we don't believe it is advisable for children walking home alone at this stage in order to safeguard them most effectively.

Thank you for your continued support.

Yours sincerely,

J Poole
