One our lovely parents shared a post from Children's Storehouse, Jubilee Church on our PTA Facebook Page, wondering if the school would support the initiative, which is asking for school clothes donations for those in need.

Items they would like are: -

T-shirts/shirts/polos
Grey trousers/skirts/pinafores
Sweaters/jumpers of any colour
&
School shoes

Unfortunately, they aren't accepting any summer dresses, summer boys shorts or PE kits at this time.

All items should be in a good and reusable condition.

The PTA have arranged for Children's Storehouse to collect any donations on the last day of term (Thursday 21 July). It would be lovely if the **children could wear their own clothes on that day and bring their donations in.**

They have a Facebook page if anyone would like to learn more about where their donations are going and how they can help.
