Christ is the centre of our school community where we live, love and learn together.

Friday 15th July 2022

Dear Parent/Guardian(s),

It is going to be reaching temperatures of 38 degrees by Tuesday. The STM are taking the following precautions on Monday and Tuesday:

- You may collect the children (Years R-6) from the main playground at 11:45am (before the temperatures really start rising). There will be a 10 minute window to do so, enabling us to get the children out of the heat quickly.

Further measures:

- Children may wear PE kits.
- Children should have plenty of water, sun cream and hats.
- Children will be kept inside and have a few breaks in the shade.
- Year 6 will have plenty of shade breaks at Drayton Manor on Tuesday (we are unable to change the date) and will be out of the sun altogether at midday. Plenty of water, suncream and hats and light clothing must be provided. If parents are unhappy with sending their child, please speak directly with myself or Mr Breslin.

Should any further guidance be issued from the DfE, we will update you.

Like always, please chat if you have any concerns

Sincerely,

K Madia
Principal
