Dear Parent and Carers

I hope you are all well and enjoying the wonderful summer sunshine we have been experiencing.

I am just writing to you to thank you all for taking part in the recent Lumen Christi consultation questionnaire. I am really pleased to inform you that we had a fantastic response with over **1400** individual returns, representing just under half of all children and young people who attend Lumen Christi Schools.

The Principal from your child's school will be sharing their own results with you over the coming weeks but the headline findings for Lumen Christi Schools are a great testament to the work we have all been doing to provide the very best provision for your children.

We have achieved a 78% positive response score, a significant **20% above the national benchmark**, a tremendous performance of which we are all rightly proud.

Thank you so much for taking the time to take part in this important survey.

We will be looking at the results and your comments in more detail over the coming weeks to ensure that we are leaving no stone unturned in our pursuit of providing an outstanding educational experience for the families and communities we serve.

Regards and Blessings

Paul
