PIONEER YEAR 6 RESIDENTIAL
OCTOBER 31ST – 4TH NOVEMBER 2022

WE ARE ORGANISING A BRILLIANT RESIDENTIAL FOR YEAR 6 THAT WILL CHALLENGE AND INSPIRE OUR CHILDREN

WHAT MAKES PIONEER SPECIAL?

Our aim at NAYC & ACUK is to release potential in every person who walks through our doors. We own two purpose built activity centres, situated in the Midlands of England, not far from Birmingham. The Pioneer Centre is located in rural Shropshire, near Kidderminster and offers a real taste of the outdoors, it is often described as a home away from home because of our fantastic staff team and peaceful surroundings. As well as our adrenaline fuelled outdoor activities, there are also plenty of opportunities to experience the natural environment by learning about local wildlife and plant life. Our second centre is located in Staffordshire, near Lichfield, and is known as Whitemoor Lakes. Whitemoor Lakes is the perfect escape; the whole site looks on to our picturesque lake and surrounding farmlands.

Situated in stunning countryside on the edge of the Wyre Forest, we are within easy reach of Birmingham and the national motorway network. Pioneer's unique location offers an opportunity for young people to experience the outdoors like never before.

Pioneer offers unrivalled en-suite accommodation under one roof for groups of 12 to 300 seeking 'best value' for their residential event. The six en-suite accommodation wings also allow a number of smaller groups to remain separate, secure and individually cared for whilst enjoying Pioneers rural location and facilities.

With 20 different activities there's plenty of opportunity to learn new skills, conquer fears and have plenty of fun! Our most popular activities include indoor caving, zip wire, water sports and an inflatable obstacle course we like to call Big Bounce! Our activity sessions are built to achieve learning outside the classroom and successfully develop new life skills.

Action Plus is our most popular package, it provides a fast paced and adrenaline filled residential stay for school students. This programme is ideally suited for years 5 -7 but is readily adapted for both younger and older groups. Action Plus teaches young people that every person makes valuable contribution and that perceived limitations can be stretched. Action Plus is designed to give increased contact time with our instructors as well as certificates.

Our Action Plus package is available all year around, whatever your budget we will do our best to find a price that fits your budget. This two night, three-day residential package is fully inclusive, all activities, accommodation and food are included in the price.

It is our intention that this residential will challenge and inspire the children at Saint Thomas More School.

We are offering this amazing opportunity to Year 6 children from 31st October – 4th November 2022.

The cost of the entire trip, (accommodation, meals and 20 different activities) plus the coach there and back again, will cost £235.05. This is for 5 days – Monday to Friday. We think that this is excellent value for money.

We have split the total amount into 5 manageable payments of £47.01. The due dates for these payments are set at the end of each month from February to June. Payment is available on ParentPay. If you would like to clear more than one month's payment you are able to do so. Trouble logging in? Please contact Mrs Gardner in the school office. **Please note; in line with Lumen Christi's policies, any children for whom payment has not been received will not be permitted to take part. All payments made are non-refundable.**

More information including kit lists will be sent out closer to the time.

If your child has any allergies or medical needs that are not yet known to school, please notify us of these as soon as possible.

We are overjoyed to be able to offer children this opportunity for a fantastic experience after the past year and believe that this will help prepare children for their final year with us and transition to secondary school.

If you have any queries or concerns please contact the school office on 0121 743 3289 or enquiry@sttommor.bham.sch.uk.

Sincerely,

K Madia
