Christ is the centre of our school community where we live, love and learn together.

Tuesday 8th February 2022

Dear Parent/Guardian(s),

Science Week

This year, Science Week takes place from 11th - 20th March. The theme of the week is Growth. Children will take part in different activities over the course of the week and we will be holding a 'design a lab coat' competition. For this, children across the school will need to bring in a plain, old shirt or t-shirt that they can draw and write on.

A big part of science week is sustainability, food waste and food poverty. To raise awareness, we will be holding a 'wear your wellies to school day' on Friday 11th March. Children can wear their wellies to school and bring in a donation of £1. All proceeds from the fundraiser will go to Sifa Fireside.

Thank you for your continued support,

A Clarke-Pitcher

Mrs A Clarke-Pitcher
Science Lead
