Christ is the centre of our school community where we live, love and learn together.

Thursday 14th October 2021

Dear Parent/Guardian(s)

STEM Sessions at St Thomas Aquinas

We are delighted to have been offered the opportunity for our Year 6 classes to visit our sister school, Saint Thomas Aquinas, for some STEM sessions (Science, Technology, Engineering & Maths).

The sessions will take place on Monday 18th October. Children will travel to Saint Thomas Aquinas via minibus and spend either a morning or afternoon in their laboratories. Children will get to experience secondary level science lessons and have the use of a fully equipped science laboratory.

There will be no changes to the school day; children still arrive to school at their normal time, will have lunch with us and leave at their normal time, from Saint Thomas More. Children should be in full uniform.

Sincerely,

K Madia
Principal
