LO: To know the story of Pentecost

Listen to the story of Pentecost

I want to share with you the most extraordinary thing that has ever happened to me. Myself and my friends were together in a little room chatting happily about our wonderful friend Jesus who had left us and gone back to his Father. We were together because we still felt nervous, worried, sad and frightened because of what had happened to Jesus. We did not want people to recognise us in case they would hurt us too.

Suddenly as we were talking the room became very windy and we felt quite scared. We all looked around in astonishment because we wanted to know where the wind was coming from. All the doors were locked!

What is happening ?

In no time at all something even STRANGER happened. Little orange flames rested on the top of our heads but no one was burnt. It was painless. How unusual was that! Immediately we all started talking but we were speaking in different languages. What an amazing thing to happen! "What's going on?" we asked each other worriedly. Suddenly we didn't feel worried, we felt confident, brave, strong and courageous. We knew that Jesus had sent his special friend, the Holy Spirit to help us like he had promised.

Immediately we raced enthusiastically into the dusty roads of Jerusalem and we told lots of visitors about our amazing friend Jesus and what had happened to him. They listened extremely carefully and decided they wanted to become followers of Jesus too just like me and you. What an unforgettable day!

What were the disciples like before the Holy Spirit came?

What were the disciples like after the Holy Spirit came?

How had they changed?

Draw a story map for the story of Pentecost.
