Barney: Go away Mr. Owl! You frightened me!

Scene 5 - Grandma's House

(Grandma and Lou are eating crumpets at the table)

Grandma: Barney! Where have you been? Were you up in your room all this time?

Barney: No, Granny. I'm sorry I'm late, but I've been out with Stig.

Grandma: You've been out in the cold and Dark all this time! Oh Barney!

Barney: I wasn't cold, really granny. But poor Stig was nearly frozen to death and I had to warm him up and his axe wasn't sharp enough to cut down the trees so we cut down a big one and the saw got stuck so I had to climb up it and pull it don and then we cut it up and pushed it down the pit.

And Stig tried to light the fire with a chair leg and an egg-cup and a television aerial but I showed him how to strike matches and we ate chesnuts.

And Lou, Stig's jolly good at drawing horses and things and he was still drawing them when I left with a piece of blackboard on the chalk.

Lou: Granny, Barney said Stig was drawing with a blackboard on the chalk. He meant chalk on the blackboard!

(Grandma and Lou start laughing. Barney joins in.)
