Don't Cross the Coss

What style of music is this?

What instruments can you hear?

Which type of band do we often hear the saxophone?

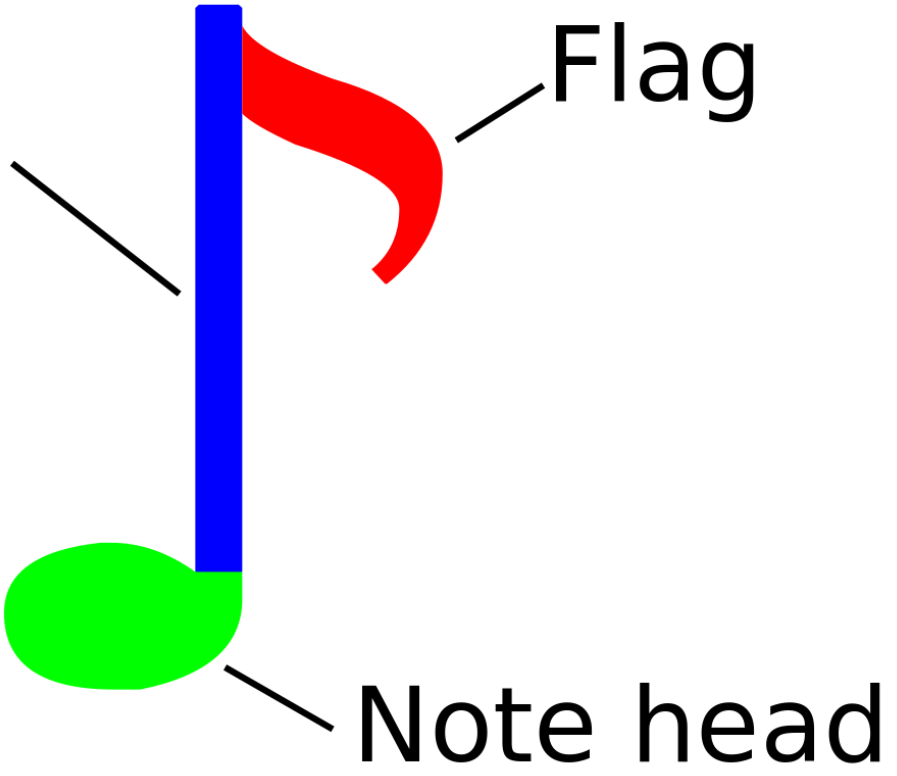

How can you tell she is playing jazz music?

What do you like/dislike about this type of music?

Prior Learning

Can you remember the value of a crotchet, minim and semibreve?

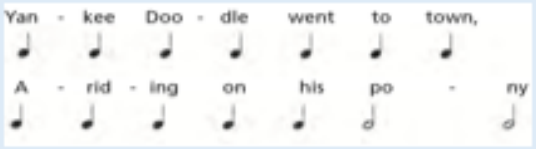

Our Knowledge Organiser

Key Vocabulary	
Crotchet	1 beat
Minim	2 beats
Semibreve	4 beats
Quaver	½ beat
Treble Clef	A symbol used in musical notation that assigns notes to lines and spaces on the musical staff
Stave (or staff)	The name given to the five horizontal lines on which we can write music

Elements of Music

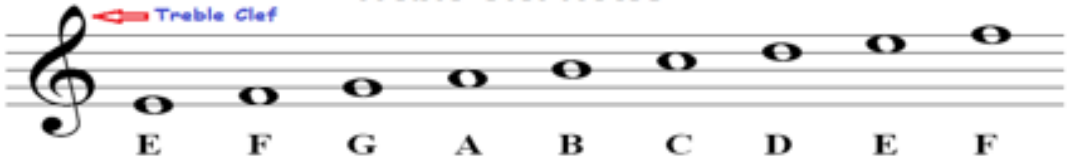

Yankee Doodle

Treble Clef Notes

Line Notes

Space Notes

Key Vocabulary

Quaver
Crotchet
Eighth Note (American)
Steady beat
Tempo
Dynamics
Pitch

LO to know that a quaver is half the value of a crotchet.

Success Criteria:

I can listen and express how I feel about a piece of music.
I know that a crotchet is worth 1 beat.
I know that a quaver is worth ½ of a crotchet.

Here are today's key words:

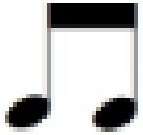

Quaver
Crotchet
Eighth Note (American)
Steady beat
Tempo
Dynamics
Pitch

Teach

A quaver looks like a crotchet with a small flag on the stem. Sometimes quavers get joined together when they're written. Each quaver lasts half the time of a crotchet, so two quavers take the same time as one crotchet.

(1 Beat) Crotchet: 

(½ Beat) Quaver:  or  quavers are beamed together when their is more than one

Task

https://www.youtube.com/watch?v=2_K87Un_PII

One side of the class is tea while the other side is coffee.

Try keeping a steady beat and clap at the same time!

And finally…

What have you learnt today?
Take it in turns to clap crotchet and quaver rhythms for the rest of the class to copy.

<u>Step for depth.</u>

Try adding your own syllables to the crotchet quaver rhythm patterns.

Crotchet:

Quaver: or
